idea whose time has come.*

Look at the Common characteristics of this evolution all through

- The Size of Entity has expanded geometrically
- Human Being of one Entity kills Human Being of another Entity for some logical sounding reason.
- The scale of killing expands geometrically.
- The technology to kill becomes more and more powerful
- This Killing is an acceptable Norm of Society and even glorified as patriotism
- There is a better and better structure / Mechanism to manage and achieve peace, Cooperation and prosperity within the Entity
- Threat and attack from one Entity to other Entity hinders the peace and prosperity within both Entities
- This Evolution was inevitable unstoppable

Does it not sound natural, obvious, and logical that this evolution shall proceed further to the next Step

What is that next Step ?

ALL THE COUNTRIES OF THE WHOLE EARTH SHALL UNITE AND BECOME ONE ENTITY

And that would be the last Step till the time we are attacked by another Planet

THIS UNION OF ALL THE COUNTRIES OF THE WHOLE EARTH MAY BE CALLED

EARTHIA

AND THE PEOPLE OF EARTHIA MAY BE APTLY CALLED

EARTHIAN

THIS IS THE IDEA WHOSE TIME HAS COME

AND THEREFORE

NO FORCES OF UNIVERSE CAN STOP THIS IDEA FROM

BECOMING A REALITY

NOW WHATEVER ANYONE DOES, FOR OR AGAINST THIS

IDEA WILL ONLY HELP TO REALIZE THIS IDEA

TODAY WE DO NOT KNOW WHAT PATH THIS EVENT WILL TAKE

TO BECOME A REALITY

BUT AFTER IT HAS HAPPENED, IT WILL BE SEEN AS

AN OBVIOUS INEVITABLE COROLLARY OF PAST

BUTTERFLIES KNOW

HOW CATERPILLARS CAME TO FLY

FALL OUTS OF THIS R-EVOLUTION

PUZZLES OF HISTORY

Kids of today are puzzled when they read History of Mankind full of killing. They ask a very basic question “ Why were innocent Human beings killing innocent Human beings in hundreds, thousands and even in lakhs in the process of glorifying a king of one Kingdom attacking other kingdoms without any reason except just to prove his superiority or just to satisfy his mad whim”

We have no answer !!!!

Kids of tomorrow will also get puzzled when they read History.
